COMMUNITY MEAL Wednesday evenings 5.30–7.30pm. This is a great outreach in the community and provides not only yummy food for the hungry but also companionship and an opportunity for the people of St John’s to show the love of Jesus to the guests who come to share the food and friendship. If you would like to help or can contribute food for the Wednesday night meals please see John Buchan, Billy or Jo Mack.

FOOD PARCELS – please keep up your food donations – its busy season already (we have enough noodles, beans and spaghetti thank you).

Found a Pandora bracelet a while ago in the car park. If you lost one, please see Steph Hansen.

St John’s Christmas Market and Garage Sale. Saturday, 24th November 2018

This event is a great opportunity for us all to have some pre-Christmas fun and to earn some funding for St John’s, this will be the main fund raising event for 2018.

What do we need to do? The main purpose of a Christmas market is to provide good quality low cost Christmas gifts for our customers to purchase, so look in your cupboards at home and see what you have in unwanted gifts or things you have bought to give as a gift, which could be donated to sell.

Can you make things to sell? Cakes, lollies, crafts, cards all crafts welcome, all of these items can be made and presented with a Christmas theme, so think about the presentation of your goods to make them attractive to be purchased as Christmas gifts.

Plants now is the time to plant out some seedlings or cuttings which will grow into plants that we can sell. Cut flowers or unwanted produce from your garden would be great on our plant stall.

Food – would you like to take charge of morning teas /sausage sizzle / cake stall for the Christmas market?

Garage Sale will be going on at the same time as the Christmas market and the Op shop will be open. Again, this is a great opportunity to sell unwanted goods. Would anyone like to take charge of the Garage Sale to set it up on the Friday night and run it on the Saturday?

Advertising – this is almost the most important task to make this event a great success. We need a couple of people to take over this aspect of the event to ensure that we can make the most of this opportunity to provide the community with great Christmas gifts and an enjoyable morning spent at St John’s.

Please think and pray about your contribution to the market day. All of us have the ability to contribute to this event to make is a great success, and the money raised will be essential for the revamp of the St John’s church which we are planning to undertake in 2019.

Lastly, we need a couple of people to assist in the co-ordination of this event, if this could be you please see Jo or Billy Mack after the Service, or contact them on 021 774 649. Thanks
